# Forever **PLAID**

In 1964, The Plaids were on their way to their first paid gig when they ran into a bus full of teens on their way to see the Beatles on the Ed Sullivan Show. Instead they took a trip straight to the pearly gates. Fortunately, thanks to a supernatural phenomenon, they're back for one last outrageously funny show that's full of smooth sounds of the '50s including *Love is a Many Splendored Thing*, *Heart and Soul*, *Three Coins in the Fountain* and *Catch a Falling Star*. It's a wild, nostalgic musical journey for the entire family.
